Day 1

Having eaten breakfast we'll visit the pyramids of Giza and the Sphinx, where the bravest can see the inside, dodging the ancient booby traps the ancient builders left to deter grave robbers... (only joking!). Then with the visit to Egypt's most famous historical site over, we'll eat a traditional lunch and make our way to Memphis, Egypt's first capital, and to Saqqara, its necropolis.

Having rested at your hotel, we'll head to Old Cairo, to the medieval area where we'll walk its oldest street, explore the Khan el Khalili market, and eat a typical dinner in the famous and historical Café of mirrors.

Después del desayuno visitaremos las pirámides de Giza y la esfinge, y nos adentraremos en el interior de una de las pirámides. Al finalizar la visita, comeremos un menú tradicional y nos dirigiremos a Menfis, la primera capital de Egipto, para admirar Saqqara, su necrópolis, y la famosa estatua de Ramsés II.

Tras pasar a descansar por el hotel, por la noche nos dirigiremos a El Cairo antiguo, a la zona medieval, donde pasaremos por su calle más antigua, recorreremos el mercado de Khan el Kalili, nos adentraremos en el famoso Café de los Espejos y tomaremos una cena típica.

Day 3

Having eaten we'll make our way to the airport to take a flight to Luxor, once called Thebes, the departure point for your cruise down the Nile. At this fascinating destination, we'll visit the Luxor Temple - which will perhaps be the most enduring image of your trip - and tour the city center on board a horse-drawn carriage.

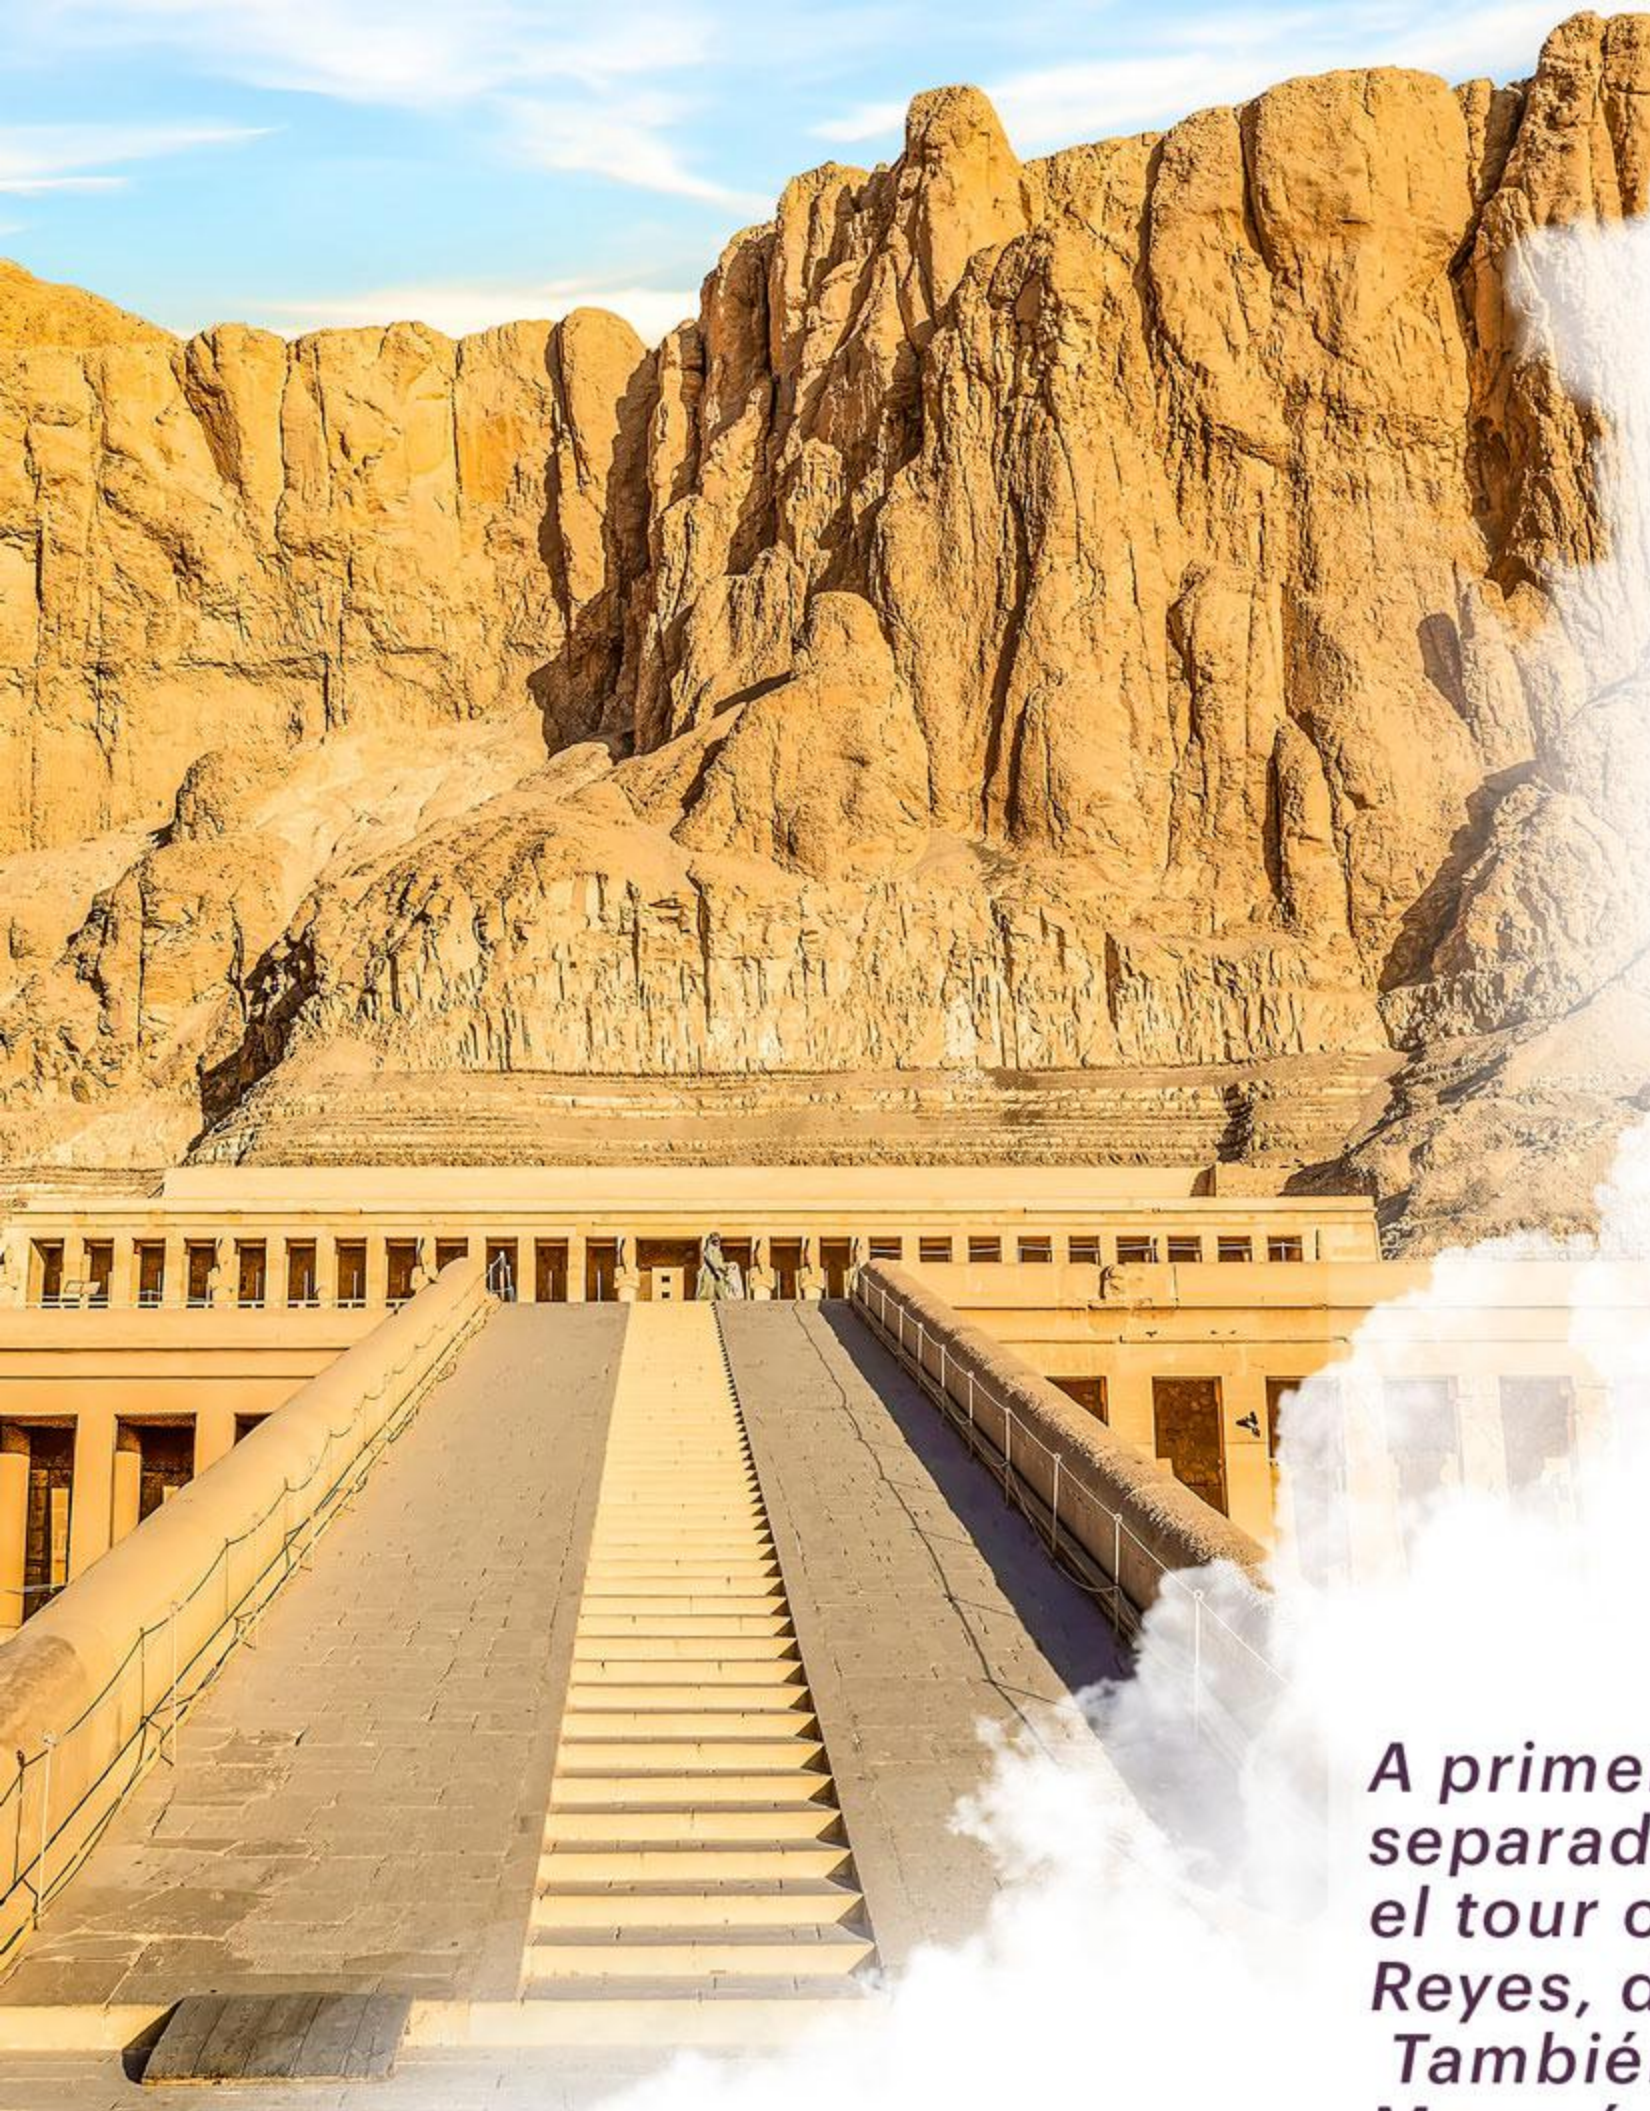

Finally we will take you to the cruise ship where we will rest until the next day.

Después del desayuno, nos dirigiremos al aeropuerto para tomar el vuelo con destino a Lúxor, la antigua Tebas, la ciudad desde donde parte el crucero.

En este fascinante destino visitaremos el Templo de Lúxor -probablemente será la imagen que más perdurará en vuestra memoria- y recorreremos el centro de la ciudad a bordo de una calesa tirada por caballos. Finalmente, os llevaremos al crucero donde descansaremos hasta el día siguiente.

Day 4

Early in the morning we'll pick you up from the hotel and take you to the port, where we'll board a boat and start the cruise. We'll then make our way to the Karnak temple, separated from the Luxor temple by the majestic Avenue of the Sphinxes, nearly 2 miles long and lined with hundreds of human-headed sphinxes.

The tour will then continue, crossing to the East bank of the Nile to see the Valley of the Kings, where the tombs of some of the most famous pharaohs can be found. And we'll visit the Hatshepsut temple and the enormous Colossi of Memnon.

Then, when we return to the boat, we'll cruise southwards up the river Nile, towards Edfu, enjoying a wander around the floodgates of Esna in the evening.

A primera hora de la mañana, nos dirigiremos a visitar el Templo de Karnak, separado del Templo de Lúxor por la Avenida de las Esfinges. Continuaremos el tour cruzando a la orilla occidental del Nilo para visitar el Valle de los Reyes, donde se encuentran las tumbas de los faraones más famosos. También visitaremos el templo de Hatshepsut y los grandiosos Colosos de Memnón.

Al regresar al barco comeremos y comenzaremos a navegar en dirección a Edfu. Al atardecer disfrutaráis del paso de la esclusa de Esna.

Then at the end of the day, we'll continue to sail the River Nile towards Aswan.

Comenzaremos el día visitando el Templo de Edfu. Este templo, dedicado al dios Horus, es el templo mejor conservado de Egipto. Tras su visita regresaremos al crucero para continuar navegando hacia Kom Ombo.

The day begins with a bus trip to the Temples of Abu Simbel, the most famous in all of Egypt, saved from rising waters thanks to a coordinated international effort.

We'll return to Aswan to visit the temple of Philae, found on a beautiful island known as the Jewel of the Nile, returning to the cruise ship to eat. Then after lunch, we'll sail around the region in a Felucca a traditional wooden boat found along the Nile, arriving back at the cruise ship in the afternoon to spend the night.

El día comienza con la excursión en autobús a los Templos de Abu Simbel, los más famosos de Egipto, salvados de las aguas del Nilo gracias a la colaboración internacional. En el camino de regreso a Asuán, veremos la impresionante Presa de Asuán, uno de los mayores proyectos de ingeniería del siglo XX.

También visitaremos el Templo de Filae, ubicado en una bonita isla y conocido como la Joya del Nilo, y volveremos al crucero para comer. Por la tarde, realizaremos un paseo en faluca (el barco tradicional egipcio) y estaremos de regreso en el barco en la tarde.
